*This scarf is perfect if you don't want something thick and bulky.  
It is done with a woven-look stitch that is suitable for a man,  
yet can be splashed up with color for any member of the family.*

*Skill Level – Easy*

*Gauge – Not Important*

*J hook and starting ch of 20 should result in a scarf approx 5" wide. To make the scarf wider or if you'd prefer a skinny scarf, simply increase or decrease the starting chain in increments of two.*
